Dr. Darst,

On behalf of myself and the faculty and staff of Weddington High School thank you for your generous donation supporting the Darst Dermatology Scholarship.

As you know, this scholarship was awarded to Katherine Plevka. Katherine is a young woman who has excelled in academics and athletics while also being very involved in various other school activities. She will be attending Duke University next year and I am confident that she will represent us well.

Thank you again for your continued support.

Sincerely,
